25th

Prices Inside!

Dear Friends,
2008 marks the Silver Anniversary of Arthur Lauer, formerly Wood Classics. Twenty-five years is a major milestone for any company, and we know that we could not have done it without you, our loyal customers. So to celebrate, we've reduced the prices on many of our products – look for the red tab at the top of 25th Anniversary Sale pages. While much has changed over the past 25 years, one thing has remained constant: when you call Arthur Lauer you talk to a live, knowledgeable Customer Service representative, NOT a call center. We're just a phone call away, so call today – and save!
