

Make It Rain

Interior designer Sheila Bridges has extended her famous Harlem Toile du Jouy design—also known as Gayle King's kitchen wallpaper—to a limited edition umbrella, available in red, gray, and blue, too. **(Originally \$35, now 20 percent off with code OPRAH; sheilabridges.com)**

No Sweat

Meet your new bed partner. The Storm Series pillows feature Ver-Tex fabric that deflects heat, regulates body temperature, and totally blisses you out. **(Originally \$180 each, now 15 percent off with code OPRAH; bedgear.com)**

It's Wine O'Clock Somewhere

Gone are the days of drinking vino out of a red Solo cup at a picnic. These babies are portable, they're glass, and they're equipped with a bright, durable no-slip silicone sleeve—all of which makes them the classiest sippy cups ever. **(Originally \$24 each, now 20 percent off with code OPRAH; goverre.com)**

Tuna and Noodles Sold Separately

Cook in these cheery ceramic casserole dishes, serve dinner in them, and by all means send lasagna to neighbors in them. Just don't count on ever getting them back! **(Plank square casseroles in Tailored Twist, \$160 for set of three; coton-colors.com)**

Madam Mix-a-Lot

Control tunes via any Bluetooth-enabled device and light up your next nighttime gathering with this super-sleek portable sound lantern. Once it's charged, you've got up to eight solid hours of dropping beats in high-fidelity surround sound. **(UMA sound lantern, \$479; pablodesigns.com)**

Meal on Wheels

Behold the gold standard of coolers, funded by Kickstarter. Roll up to the barbecue, then listen to music, charge your phone, and chop some veggies, all while mixing cocktails in the built-in blender. Plus, an LED light in the lid means no fumbling for your favorite drink after dark. **(Coolest cooler, \$499; amazon.com)**

Budding Style

Slide into summer in textured floral sandals that go with everything from jeans to dresses. **(Sable sandals, \$155 per pair; joie.com)**

Tools of the Trade

Found: ridiculously good-looking grill utensils. This stainless steel and teakwood collection includes a basting brush, a fork, a spatula, and tongs, ensuring that even rare steaks are done well. **(BBQ copper four-piece grill set, originally \$130, now 20 percent off with code OPRAH; schmidtbrothers.com)**

Dry Idea

The newest iteration of the ingenious Mophie case charges when necessary, exceeds military standards for protection against dropping, and is completely waterproof. Dare we say it's indestructible? **(Juice Pack H₂ Pro for iPhone 6 and 6s, originally \$130, now 10 percent off and free shipping with code OPRAH; mophie.com)**

Stack and Snack

Say "see ya!" to basic to-go containers. While the double-walled cups are perfect for transporting ice cream, the oven-safe aluminum pans are great for reheating and serving or gifting treats to friends. Your next potluck just got luckier. **(Cups and foil pans with lids, originally \$5 to \$11 each, now 20 percent off with code OPRAH; simplybaked.us)**

Pour, Favor

This handcrafted decoupage watering can holds up to 144 ounces and is sealed with plastic resin (no leaks!). And hey, it makes for great decor even if your garden doesn't grow. **(Sheryl Craig Designs watering can, originally \$85, now 20 percent off with code OPRAH; gramercyflowers.com)**

Triple Threat

Do your guests thirst for variety? Even the most finicky will find something to love when you offer a trio of drinks in one compact design. This dispenser is indispensable! **(Triple acrylic beverage dispenser, \$80; williams-sonoma.com)**

It's a Jungle Out There

The lush palm frond pattern (inspired by a friendly drawing competition between designer India Hicks and her 7-year-old daughter) is tropically cool for a weekend away. **(Riviera duffel, \$225; indiahicks.com)**

Isn't It Romantic?

Cozy up by the fire anywhere, no chimney or vent needed. Thanks to bioethanol fuel, you get the look and warmth of a contemporary fireplace that burns sans soot or ash. Bonus: This thing is portable for instant ambiance indoors or out. **(Lexington tabletop fireplace, starting at \$170; anywherefireplace.com)**

Beachy Keen

If Jack and Jill had had these mom-invented packable pails that collapse to two inches, they would've fetched their water, played in the sand, turned the pails into ice buckets, and served sangria. **(Originally \$15 each, now 20 percent off with code OPRAH; packablepails.com)**
