**HOT SEAT**

A pop of color isn't just for your closet; it livens up your table as well. I love this classic design, which is based on a Tolix chair first made in France in the 1930s. It stacks with ease, wipes down clean and doesn't take up too much space. Musical chairs never looked so good.

**METROPOLIS SIDE CHAIR** *painted metal*; HAMMERTOWN.COM.

**SITTING PRETTY**

NEED A STYLISH SEAT AT THE TABLE FOR ONE MORE? WITH THIS BRIGHT BEAUTY, EVERYONE IS WELCOME
