The talents who define our interior worlds — at home, in the office and out on the town

Adam Charlap Hyman & Andre Herrero

Los Angeles, New York and Mexico City

As principals of New York- and Los Angeles-based design firm Charlap Hyman & Herrero, this duo are known for work that combines architectural rigour, history and a touch of the surreal. Recent projects include a new US flagship for Korean perfume brand Nonfiction, and Pocketbook Hudson, a new hotel in upstate New York. In 2026, they took home a prestigious National Design Award from the Cooper Hewitt.
